

CERTIFICATE

Permission to use the test mark

“tested component - VDI 6022.1 / VDI 3803.4”

The
Engineering Company Dr. Winkens
hereby confirms that the filters with the product group name

“Bag Filters”

[Group members: HQ85 ePM1, HQ98 ePM1, HQ 65, LSB 60, LSB 80]

conform to the requirements of VDI 6022 Part 1 and VDI 3803 Part 4 for air filters.

. In that regard, this certificate applies a verified manufacturer's declaration by an
VDI-certified specialist engineer, Category RLQ, according to
VDI 6022 Part 1 (2018-01), Annex A, Table 7, No. 8.1

Afpro Filters B.V., Alkmaar, NL

is therefore granted the right to use the test mark shown below
in connection with the above mentioned products.
